Longneck Bottle

Garth Brooks

Longneck bottle, let go of my hand
Hey jukebox, don't start playin' that song again
'Cause there's a girl at home who loves me
You know she won't understand
Longneck bottle, let go of my handHey, barroom mirror on the wall
Go stare at someone else
Don't show the world the fool I am
Just keep it to yourselfLongneck bottle, let go of my hand
Hey jukebox, don't start playin' that song again
'Cause there's a girl at home who loves me
You know she won't understand
Longneck bottle, let go of my handDance floor seems you're underneath my feet
Everywhere I turn
I oughta waltz right out of them swingin' doors
But that's a step I just can't learnLongneck bottle, let go of my hand
Hey jukebox, don't start playin' that song again
'Cause there's a girl at home who loves me
You know she won't understand
Longneck bottle, let go of my hand
