

# What Makes You Dream, Pretty Girl?

## The Sandpipers

What Makes You Dream Pretty Girl - The Sandpipers What makes you dream pretty girl ?

What is your heart's desire ?

What makes you dream pretty girl ?

What sets your heart on fire ? When you were young and beautiful

Life opens all its doors

The music plays, the diamond shines

And all of the world is yours

What makes you dream pretty girl ?

Whom are you thinking of ?

What makes you dream pretty girl ?

Is it a dream of love ? When you were young and beautiful

Love comes to call each day

But who's the one the lucky one

Who's stealing your heart away ? What makes you dream pretty girl ?

Tell me you dream of me (Musical Break...)

When you were young and beautiful

Love comes to call each day

But who's the one the lucky one

Who's stealing your heart away ? What makes you dream pretty girl ?

Tell me you dream of me...
