Moon zappa (vocals) We must say goodbye

There's no need for you to cry

It's better that I tell you this tonight

Our affair has been quite heated

You thought I was what you needed

But the time has come, my darlin'

To set things right I'll be harder than yer husband to get along with

Harder than yer husband every night

I'll be harder than yer husband

Harder than yer husband

An' I don't want our love affair

To end with a fight You been like a little angel

How you loved me

And I appreciate the warmth of your embrace

Well the world don't need to know

How I adore you

But the time has come, my darlin'

To tell you this face to face I'll be harder than yer husband to get along with

Harder than yer husband every night

I'll be harder than yer husband

Harder than yer husband

An' I don't want our love affair

To end with a fight And so it's adios, adios, my little darlin'

(Adios my little darlin')

Keep that hankie that I gave you when you cried
There are things that trouble me
And I'm sure that you must see
That it breaks my heart the same as yours
When we say goodbyeHarder than yer husband
Harder than yer... (much, much, much)
Harder than yer husband
Harder than yer... (much, much, much)
Harder than yer husband
Harder than yer... (much, much, much)
Harder than yer husband
Harder than yer
