

Sit in the Blues

Gabriella Cilmi

Baby, listen, every time
You asked me, I gave you mine
Invitation for one night
But you never thought of me more then twice 'Cause there ain't nothing that I could speak
You give and you take then you are done with me I sit in the blues, waiting for you, who I'll never see
There's never good news, no not 'bout you
'Cause something don't feel right
There's nothing to choose, I can't refuse my turn to try
I guess I lose, boy, ain't that right I'd hate to lie, my friend, don't deny
'Cause what you sees real even though you can't feel
Count back from 5, 4, 3, 2, 1 times
You'd say you'd drop by, but I'm a fool every time 'Cause there ain't nothing that I can speak
You give and you take then you are done with me I sit in the blues, waiting for you, who I never see
There's never good news, no not 'bout you
'Cause something don't feel right
There's nothing to choose, I can't refuse my turn to try
I guess I lose, boy, ain't that right The way I feel
And what I know
'Cause I can't explain
What's going down The way I feel
And what I know
'Cause I can't explain
Why I can't let go
