

# The Wolf That Lives In Lindsey

[Joni Mitchell](#)

Of the darkness in men's minds what can you say  
That wasn't marked by history or the TV news today  
He gets away with murder blizzards come and go  
The stab and glare and buckshot of the heavy heavy snow  
It comes and goes, it comes and goes  
His grandpa loved an empire, his sister loved a thief  
And Lindsey loved the ways of darkness beyond belief  
Girls in chilly blouses blizzards come and go  
The stab and glare and buckshot of the heavy, heavy snow  
It comes and goes, it comes and goes  
Cops don't seem to care for derelicts or ladies of the night  
They're weeds for yanking out of sight if you're smart or rich or lucky  
Maybe you'll beat the laws of man but the inner laws of spirit  
And the outer laws of nature no man can, no, no man can  
There lives a wolf in Lindsey raids and runs  
Through the hills of Hollywood and the downtown slums  
He gets away with murder blizzards come and go  
The stab and glare and buckshot of the heavy, heavy snow  
It comes and goes, it comes and goes
