

Funkin' for the Thrill

George Duke

Funkin' For the Thrill

When you feel you want to get down, come on and boogie (boogie with me baby)

We brought the funk to your town, get up and boogie (ooo, my my my)

When you're listenin' to some funky good sound, come on and boogie (come on and boogie)

We're here for you to get down, get up and boogie (we're here to get down, down down, down)

YEAH 2xs Lay the groove, to make you move, gotta funky beat to make you move your feet come on

The real, groove, let me see your feet move

So get on up, off your butt, don't stay in your seat, get on your feet come on,

It's your deal, funkin' for the real thrill 2xs We've been funkin' you in the ground, get up and boogie (mama
mama mama baby baby baby)

Not here to stand around, come on and boogie (standin'--- standin')

Let the music funk deep down in your soul, get up and boogie (feel it deep down in your soul)

We're here for you to get down, come on and boogie, (come on and get up, if you want to get down, down)

YEAH 2xs 4xs Chorus with solos in between

Repeat first verse with different add libs go out with YEAH several times

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
