

# Pack It Up

## Jawbreaker

(You guys are the pits of the world)

And I'm asking what is left to do?

And I'm feeling it's been done before Referential, hey, that's the guy from all those movies

Referential, hey, that's the riff from that old song Don't play Busy, Imaginary, Incomplete and Seethruskin

Drone and Gutless, Wound and Mean Guy

Equalized is overrated, sorry

(Overrated, I think so but then again who does? Bye)
