Build Your Own Prison

The Boxmasters

tough, you think you got the stuff
you're telling me and anyone
you're hard enoughyou don't have to put up a fight
you don't always have to be right
let me take some of the punches for you tonightlisten to me now
i need to let you know
you don't have to go it aloneit's you when i look in the mirror
and it's you when i don't pick up the phone
sometimes you can't make it on your ownwe fight all the time
you and i... that's alright
we are the same soullisten to me now
i need to let you know
you don't have to go it aloneand it's you when i look in the mirror
and it's you when i don't pick up the phone
sometimes you can't make it on your ownoohh,oooooh yeah
and it's you when i look in the mirror
and it's you when i don't pick up the phone
sometimes... sometimes you can't make it on your ownsometimes you can't make it on your own!!!!
