

You Alone

[Joshua Rogers](#)

you alone are worthy with all of my praise

you alone, you alone

you alone deserve my worship all my days

you alone, you alone

You alone be glorified Higher lifted up

You alone, You alone

You alone be magnified, Name above all names

You alone, You alone

You alone are holy holy holy, holy, holy, holy, holy, holy, holy

You alone

You alone are holy holy holy, holy, holy, holy, holy, holy, holy

You alone

you alone are worthy with all of my praise

you alone, you alone

you alone deserve my worship all my days

you alone, you alone

You alone be glorified Higher lifted up

You alone, You alone

You alone be magnified, Name above all names

You alone, You alone

You alone are holy holy holy, holy, holy, holy, holy, holy, holy

You alone

You alone are holy holy holy, holy, holy, holy, holy, holy, holy

You alone

The heavens and earth declare (heavens and earth declare)

Your glory is far beyond compare

So here I am resting in your holy name

holy holy holy, holy, holy, holy, holy, holy, holy

You alone (6X till fade)
