

I Wouldn't Normally Do This Kind of Thing

[Robbie Williams](#)

Ask me why, I'll say it's most unusual
How can I even try to explain
Why today, I feel like dancing
Single like lovers say When I wouldn't normally do this kind of thing
I wouldn't normally do this kind of thing Ask me when, I'll say it started when I met you
And ever since then, I knew that the past couldn't last
For right now I think I'm running
A race I know I'm gonna win And I wouldn't normally do this kind of thing
I wouldn't normally do this kind of thing If people say I'm crazy, I tell 'em that it's true
Let them watch with amazement
Say it won't last beyond breakfast It's a phase, he's going through
Denigrate or speculate on what I'm going through
Because it isn't the sort of thing, I'd normally do Ask me what, I'll say I think it's good for you
Believe it or not, I know where it's all leading to
I feel like taking all my clothes off
And dancing to the, "Rite of spring" And I wouldn't normally do this kind of thing
I wouldn't normally do this kind of thing
I wouldn't normally do this kind of
I wouldn't normally do this kind of
I wouldn't normally do this kind of thing
