Still

LaVern Baker

I'm still, still, still, still
I'm still in love with you
And still, still, still, still
I can't love someone new

No one can take your place
No one ever will, oh, my darling
I love you, love you still

And still, still
I miss your magic touch
Still, still
I need you, oh so much

No one shares my embrace
No one ever will, oh, my darling
I love you, love you still
(I still love you)

Why did you have
To go and grieve me?
Come back, my darling
And never leave me

Still, still, still, still
My heart still aches for you
Still, still, still, still
Until it breaks in two

No one can take your place
No one ever will, oh, my darling
I love you, love you still
Still, still, still
