Walk By

Meiko

You said everything's going to be alright
Going to work out this time
And I?m sure daddy?s in bed
Thinking 'bout my life and how to make it right now
It?s a long way home
It?s a long way home
And it?s too late for wanting
The best thing for me now
So walk by
And you can?t keep saying
The same thing to me now
So walk by
Take back the promises you made
And break free from all the things that you have left behind
'Cause it?s a long way home
It?s a long way home
And it?s too late for wanting
The best thing for me now
So walk by

And you can?t keep saying
The same thing to me now
So walk by
Everything has a reason for it
Everyone has a story to tell
Everything has a reason for it
Everyone has a story, don?t they?
It?s a long way home
It's a long way home
It's a long way home
It's a long way home
And it?s too late for wanting
The best thing for me now
So walk by
And you can?t keep saying
The same thing to me now
So walk by
It?s a long way home
It's a long way home
