

# Happy

## Mazzy Star

Fields of light  
They hold me inside  
Count my stars  
They are lucky in the sky There's a time  
When you go off the line  
And all my things  
Look like someone else's memories Cold outside, burns a great big hole in my heart  
I'll just wait, 'til you're happy  
And your smile makes it right  
It makes it right Sleep inside, the ocean has smiles  
It shimmers and it flows for some people  
I know it shines  
I know it shines Stay inside, don't the colors make you blind  
They hold me inside, count my stars  
Let them shine  
I know they shine
