

# Break My Heart

Estelle

Cause I just wanna love you, baby  
I don't wanna waste no time  
Wanna be your only one, baby  
Please don't break my heart  
[Rick Ross - Rap Verse]... taylor made black linen  
... tinted Escalade with a made man in it  
Rose gold shades with the rozay lenses  
Pink champagne and the flow so endless  
All I seek is perfection  
Ain't no secrets i'ma eat that for breakfast  
Keep her close to me like lyrics  
She spoke to me in the middle of the winter  
So i'ma let her close to me  
[Estelle - Verse 1]All these stars out  
And these people know my name  
I can be so pretentious  
But he likes, all the same  
And these lights are glowing  
But he don't want none  
He rather chill and hold me  
Baby, he could be the one  
[Chorus]You want me to trust you  
But how can I trust you  
When I don't know the first thing about that  
There's so many questions  
And I don't wanna listen  
Messing with my heart and I just got it back  
I just wanna love you, baby  
I don't wanna waste no time  
Wanna be your only one, baby  
Please don't break my heart  
[Estelle - Verse 2]I've been here before  
I don't know if you're the type  
Who's gonna keep me sure  
When the doubt creeps in my mind  
Will you be there baby?  
Or will you let me go?  
Can you stand the pressure?  
This is what I need to know

[Chorus] You want me to trust you  
But how can I trust you  
When I don't know the first thing about that  
There's so many questions

There's so many lessons  
And I need for you to have my back  
I just wanna love you, baby  
I don't wanna waste no time  
Wanna be your only one, baby  
Please don't break my heart

[Rick Ross - Rap Verse] All white in the winter  
Green in the summer  
Painted the Lamborghini same colour marijuana  
Floating in the 6 til I made her seasick  
Wetting these niggas up with this AMG kit  
Earned a reputation repping up and down the boulevard  
Me and baby Bonnie and Clyde off in the rental cars  
Propositions through politicians are common now  
My money tall we can never be on common ground  
Peel the top back getting higher than the higher power  
Making love in the penthouse then it's cianara  
Fell in love with shawty blame it on the chemistry  
Tools on the low fools really envy me  
Money multiply S600 Benz  
Me and my shawty alike we a team to the end  
Monopoly shopping sprees imagine what we can spend  
Me and my shawty live we gonna do this shit again

[Bridge] Don't break it  
Please, don't break my heart  
No, don't break it  
Please, don't baby  
I just wanna love you, baby  
I know it from the very start  
Wanna be your only one, baby  
Please don't break my heart  
You got me living on a prayer  
You could be a millionaire or broke  
We won't pretend  
You know you're more than a friend  
Just because you love me  
Imma love you 'til the end  
I got you  
You got me  
I like you

You like me  
And we could do everything  
I wanna love you, oh, baby, baby, baby  
Don't break it  
Please, don't break my heart  
No, don't break it  
Please, don't baby  
Cuz I just wanna love you, baby  
I don't wanna waste no time  
Wanna be your only one, baby  
Please don't break my heart
