

# Turn Me

## Stars In Stereo

Waited 'till the shame was off of tasting me and you chewed up  
Curious is killing me I've never had the self-control  
Don't leave me dry, don't ask me why Anywhere you touch me, he won't have to know  
Say now won't you turn me until I am bold  
Dangerous is never gonna hold me back  
Say now won't you turn me 'till I'm bad Everytime you lift me up I wonder what I waited for  
Everyone loves beautiful and you're the kind I can't ignore  
Don't leave me dry, don't ask me why Anywhere you touch me, he won't have to know  
Say now won't you turn me until I am bold  
Dangerous is never gonna hold me back  
Say now won't you turn me 'till I'm bad I will show you what I hide If you will take it to the grave  
He can't give me everything when softer skin is what I crave  
Don't leave me dry, don't ask me why  
Anywhere you touch me, he won't have to know  
Say now won't you turn me until I am bold  
Dangerous is never gonna hold me back  
Say now won't you turn me 'till I'm bad  
'Till I'm bad  
Say now wont you turn me 'till I'm bad
