## Sublime

And I'm through, gonna fuck with you  
Then I say what the fuck with you?  
And I'm out for the nine duce niggasComin' with, this is Nine Tre, still bad ass lynchin'  
Muthafuckin' Q ball and my nigga brad  
With the funky reggae style, check it outBad ass, comin' once again, I'm a shock ya  
Don't try to step, 'cuz I'm the rocker  
Listen I'm the nigga, bad ass on the cutDon't try to step, I'll shoot your ass, I'll go nuts  
Steppin' is his strength, Q ball got somethin' to say  
He's up next, White Chowder don't playI come too dope, I'm kickin' the cash  
Because I clash, I gash  
The buck shots hit your ass when you duck  
Nigga rains be supreme as I've been  
And I've been thinkin'
