Rigged On A Fix

Rancid

Charles Van Doren never seemed to want it It was rigged on a fix end of innocence A 64,000 dollar question It's true, Your through....Fuck you! The original T.V. scandal A unique one, triggered implosion, outraged disgrace condemnation Nine- hundred channels, one billion scandals I've been hypnotized by all of you It's true, Your through....Fuck you! I've been hypnotized by all of you I've been hypnotized by all of you
