Whatever You Want

The Preatures

If I walk the same old streets
And they wonder what you're doin to me
They have never seen me so complete
It's like a shock to the system to see
I wanna shh I wann shout it every day yeahWhatever you want, whatever you want
Whatever you need I'll give it to you
Whatever you want, whatever you want
Whatever you need I'll give it to youAnd the eve of the destruction seems
Just a little too real tonight, tonight
Heaven knows I find my way back home
When I got you in my loving sight
I wanna shh I wanna shout it every day yeah
Whatever you want, whatever you want
Whatever you need I'll give it to you
Whatever you want, whatever you want
Whatever you need I'll give it to youOoh, uh uh uh, I'll give it to you
Ooh, uh uh uh, yeah, I'll give it to youEvery time every time every time
Every time every time every time oh
Every time every time every time
Every time I wanna re I wanna re I wanna rechangeWhatever you want, whatever you want
Whatever you need I'll give it to you
Whatever you want, whatever you want
Whatever you need I'll give it to you
Hey darling if you fake it now yeah just turn it out
If you want it don't pretend yeah just churn it out
If you want it I'll be there no matter how
If you want it I'll teach you now yeah
I wanna shh I wanna shout it every day yeah
I wanna, I wanna shh I wanna shout it every day yeah
