

# Maybe

## Faktion

Times like these are dangerous  
And I've noticed  
You speak with your agenda  
I never knew you, you're lost  
I'm so afraid to keep you  
And it might be my demise, but I see it in your eyes  
It's something that I need  
Even if you take it from me  
Chorus:  
Maybe I'll be fine  
Maybe I'll be better than yesterday  
Maybe I'll take time  
To understand the place where you left me  
Maybe I'll be right  
But you won't remember  
You heard it a different way  
So I'll take mine  
And walk away  
Times like these are worried  
And yet it seems  
You focus on the means  
You couldn't seem to level off  
And take the time to be here  
Well it might be my demise  
But I see it in your eyes  
It's something that I need  
Even if you take it from me  
Repeat Chorus  
Selling out your friends as you come to me  
But you were selling me out to them  
And now I dream without you  
Repeat Chorus  
Just walk away
