Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Would you believe me when I tell you?
You are the King of my dreams
Would you believe me when I tell you?
You are the king of my dreams
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
Can't you here my love buzz?
You are the king of my dreams
