Genius

Murmurs

She's got something to say to the world
She wants to know if she could tie it up
So it can't move, she is feeling inspired
She said its too cool for its own goodShe's kinda freaky
She's kinda weird
She's kinda freaky
But I don't know
I think she's a geniusIf she only just slow it up
Then she could get out really quickly
She thinks the chances are pretty high
Pretty high
Pretty high
Pretty highShe's kinda freaky
She's kinda weird (she's kinda weird)
She's kinda freaky
But I don't know
I think she's a geniusShe had that slow motion thing happen
And she wants to tell you about it
But you know
You know
You know
She does not trust you
She knows all you are is luckyShe's kinda freaky
She's kinda weird (she's kinda weird)
She's kinda freaky
She's kinda weird (she's kinda weird)
She's kinda freaky (she's kinda freaky)
She's kinda weird (she's kinda weird)
She's kinda freaky
But I don't know
I think she's a genius
