

Drive It

Lugz&Jera

Close my eyes and see myself bleeding
Dead inside i'm sick i can't breath
Try to hide the hate that is feeding
Do you like the sound of my cracking teeth?

Drive it
Take it away (take it)
Driving me crazy
Everything i know is deseving
Nothing left for me to believe
Try to keep the faith that keeps leaving

Like everything you've taken from me

Drive it
Take it away (take it)
Driving me crazy
This time is misdameaning
(And i don't need it)
Drive it
Take it away (take it)
Driving me crazy
