Moonglow

Jerry Vale

It must have been moonglow
Way up in the blue
It must have been moonglow
That led me straight to youI still hear you sayin'
"Dear one, hold me fast"
And I started on prayin'
"Oh Lord, please let this last"We seemed to float right
Through the air
Heavenly songs
Seemed to come from everywhereAnd now when there's moonglow
Way up in the blue
I always remember
That moonglow gave me you
