

Headlights (Heavy Youngsters Remix)

Robin Schulz

Oh, I know why you chasing all the headlights
Oh, 'cause you always tryna get ahead of light
 Baby when you go
 You know I'll be waiting on the other side
 And I'm always cold
But if you stay then I could keep you warm at nightDon't be a fool for the city nights
 I know it's cool but it's only light
 Baby with you I can never lie
Don't go chasing all the headlightsOh, I could feel the beating of your heartache drum
 Oh, don't know if I'm dreaming or if you have gone
 Every time you go
 Hits me like a bullet from a broken gun
 Yeah I know it's cold
But if you stay then Then I could give you all my loveOh, and don't be a fool for the city nights
 I know it's cool but it's only light
 Baby with you I can never lie
 So don't go chasing all the headlightsooh, ooh, ooh
 ooh, ooh, ooh
 ooh, ooh, ooh
 ooh, ooh, oohOh and don't be a fool for the city lights
 I know it's cool but it's only light
 Baby with you I can never lie
 So don't go chasing all the headlights
