

# Meet the King (Acoustic Demo)

## Forgive Durden

So, you're the boy I've heard so much about  
From my daughter's open mouth  
She's described for me wild fantasies  
Of true love and ancient prophecies Did you think that you could waltz right in  
And steal the princess for yourself?  
Seducing her with empty dreams and a rusting ring?  
Well, I'm the king, it won't be that easy Father, you don't understand  
I'm not after your throne or jewels  
You can't justify demands  
Not looking for a crown or a holy rule Father, don't you understand?  
I just want your daughter's heart, you fool  
You can't hold onto my hand  
'Cause I have found my man Daughter, my dear, please open both your ears  
There is something not right here  
Well, I can't place my finger on it  
But this young man's filled with darkness If you think I'll just sit back and let this slide  
(Then you are mistaken)  
I will surely not give up without a fight  
'Cause I'm the king, it won't be that easy Father, you don't understand  
I'm not after your throne or jewels  
You can't justify demands  
Not looking for a crown or a holy rule Father, don't you understand?  
I just want your daughter's heart, you fool  
You can't hold onto my hand  
'Cause I have found my man Please sir, let me say  
Something on my behalf  
I love your daughter and she  
Well, she loves me back All we have is love, my king  
So let's sing la da da da  
All we have is love, my king  
So let's sing la da da da All we have is love, my king  
So let's sing la da da da  
All we have is love, my king  
So let's sing Denied by the king and his greed  
The pair would indeed be married in secrecy  
But before they had agreed when and where to meet  
The princess felt queasy and weak, could barely speak Adakias knew instantly why she was so green  
And what had caused the disease  
It was his proximity, she was ill from his company

Evil's ubiquity, you can't run from your history  
Your past will seek you endlesslyHe knew the only remedy to her viral malady  
Resided and abided on the opposite side of the petrous levee  
And its harsh, barbed, concrete peak  
So while avoiding the leak of his true identity  
Adakias convinced the princess of their leaveThey would meet with a specialist  
And rid her blood of this  
He kissed her on the lips  
And assured her a life long-lived
