Shadows on Parade

Laura Gibson

I have carried These south
Many seasons
They're pulling by these
Bargaining my smile
And when you're eyes come rushing
Up to greet them
I cast them all to
Keep them in
My sightOoh
I would watch
Their shadows on paradeI've been chasing
Clouds that have made me cowards
They're burning by these
I have claimed I want
Carried by the wind
Dance of our fathers
Counting their crushing paining words
Ooh, I could see
Those shadows on paradeI will hold high days in moving pictures
Carry their questions in my eyes
And when my body sways like a drunkard
I'll cast them out to keep them in my sight
Ooh, I would watch
Their shadows on parade
Shadows on parade
Can't and duck it
