

# **Livin' In a World Without You**

## **The Rasmus**

Its hard to believe that it came to this  
You paralysed my body with a poison kiss  
For 40 days and nights I was chained to your bed  
You thought that was the end of the story  
Something inside me called freedom came alive  
Living in a world without you

You told me my darling  
Without me you're nothing  
You taught me to look in your eyes  
And fed me your sweet lies

Suddenly someone was there in the window  
Looking outside at the sky that had never been blue  
Oh there's a world without you  
I see the light  
Living in a world without you  
Oh there is hope to guide me  
I will survive  
Living in a world without you

Its hard to believe that it came to this  
You paralysed my body with a poison kiss  
For 40 days and nights I was chained to your bed  
You thought that was the end of the story  
Something inside me called freedom came alive  
Living in a world without you

You put me together  
Then trashed me for pleasure  
You used me again and again  
Abused me, confused me

Suddenly naked I run through your garden  
Right through the gates of the past and I'm finally free  
Oh there's a world without you  
I see the light  
Living in a world without you  
Oh there is hope to guide me  
I will survive

Living in a world without you

Its hard to believe that it came to this  
You paralysed my body with a poison kiss  
For 40 days and nights I was chained to your bed  
You thought that was the end of the story  
Something inside me called freedom came alive  
Living in a world without you

Its hard to believe that it came to this  
You paralysed my body with a poison kiss  
For 40 days and nights I was chained to your bed  
You thought that was the end of the story  
Something inside me called freedom came alive  
Living in a world without you

Oh there's a world without you  
I see the light  
Living in a world without you  
Oh there is hope beside me  
I will survive  
Living in a world without you  
Living in a world without you  
Living in a world without you  
Living in a world without you  
Living in a world without you
