

# Santa Claus Is Coming To Town

[Diana Krall](#)

I just came back from a lovely trip  
Along the Milky Way  
I stopped off at the North Pole  
To spend a holiday I called on dear old Santa Claus  
To see what I could see  
He took me to his workshop  
And told his plan to me You better watch out, you better not cry  
You better not pout, I'm telling you why  
Santa Claus is coming to town He's making a list and checking it twice  
Gonna find out who's naughty or nice  
Santa Claus is coming to town He sees you when you're sleeping  
He knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake Oh, you better watch out, you better not cry  
You better not pout, I'm telling you why  
Santa Claus is coming to town He sees you when you're sleeping  
He knows if you're awake  
He knows if you've been bad or good  
So be good for goodness sake Oh, you better watch out, you better not cry  
Better not pout, I'm telling you why  
Santa Claus is coming, Santa Claus is coming  
Look out, Santa's coming to town
