

# The Travellers, Part 1

## Stone Sour

I think Im happy  
Mostly happy  
On a green autumn day  
Im walking lazy  
Barely moving  
Settle out and fade away Seems a life is something more than a journey with no end  
I just want to lose it all and find myself again  
Im on my own  
Im on my own I dont need a conscience to tell me how I feel  
I dont need these weary eyes to focus on what to conceal  
I dont need anybody to tell me who I am  
Blame it on a broken heart  
Im falling apart again
