

Lovers

Bee Gees

We'll be lovers, lovers, lovers
(Got to make you understand)
We'll be lovers, lovers, lovers
(I wanna hold you in my hand)
We'll be lovers, lovers, lovers Wanna be a part of you and I wanna make you part of me
(Sweet inspiration)
Oh, we can make it, make it for the world to see
(Make it)
Don't be blind, time is on our side and together we can touch the sky
(We can make it if we really try)
Ah, together you and I We'll be lovers, lovers, lovers
(Got to make you understand)
We'll be lovers, lovers, lovers
(Ah, got to hold you in my hand)
We'll be lovers, lovers, lovers Wanna be a part of you and I wanna make you part of me
(Sweet inspiration)
Oh, we can make it, make it for the world to see
(Make it)
Yesterday I had a feeling of a flame of burning desire
(We can make it if we really try)
Ah, together you and I We'll be lovers, lovers, lovers
(Got to make you understand)
We'll be lovers, lovers, lovers
(Ah, got to hold you in my hand)
We'll be lovers, lovers, lovers
(Hmm) Oh, lovers, lovers, lovers
(I got to make you understand)
We'll be lovers, lovers, lovers Wanna be a part of you and I wanna make you part of me
(Sweet inspiration)
Oh, we can make it, make it for the world to see
(Make it)
Yesterday I had a vision of the flame of burning desire
(We can make it if we really try)
Ah, together you and I We'll be lovers, lovers, lovers
(Hmm, till my dying day)
We'll be lovers, lovers, lovers
(Ah, don't you ever turn away)
We'll be lovers, lovers, lovers
(Hmm, want to get close to you)

We'll be lovers, lovers, lovers
(Hmm, that's what I want to do) We'll be lovers, lovers, lovers
(Got to make you understand)
We'll be lovers, lovers, lovers
(Ah, got to hold you in my hand)
We'll be lovers, lovers, lovers
(Ah, got to make you understand)
We'll be lovers, lovers, lovers
