

Wish I Was Your Lover

Enrique Iglesias

You know I got this feeling that I just cant hide
I try to tell you how I feel
I try to tell you but Im me
Words dont come easily
When you get close I share them
I watch you when you smile
I watch you when you cry
And I still dont understand
I cant find the way to tell you
I wish I was your lover
I wish that you were mine
Baby, I got this feeling
That I just cant hide
Dont try to run away
Theres many things I wanna say
And no matter how it ends
Just hold me when I tell you
I wish I was your lover
I wish that you were mine
Baby, I got this feeling
That I just cant hide
I wish I was your lover
I wish that you were mine
Baby, I got this feeling
That I just cant hide
All I need is a miracle
Oh, baby all I need is you
All I need is a love you give
Oh, baby all I need is you, baby, you
I wish I was your lover
I wish that you were mine
Baby, I got this feeling
That I just cant hide
I wish I was your lover
I wish that you were mine
Baby, I got this feeling
That I just cant hide
I wish I was your lover
I wish that you were mine
Baby, I got this feeling
That I just cant hide
Just wanna be your lover
Just wanna be the one
Let me be the lover
Let me be the one, yeah, yeah
