## Wish I Was Your Lover

## **Enrique Iglesias**

You know I got this feeling that I just cant hideI try to tell you how I feel

I try to tell you but Im me

Words dont come easily

When you get close I share themI watch you when you smile

I watch you when you cry

And I still dont understand

I cant find the way to tell youI wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just cant hideDont try to run away

Theres many things I wanna say

And no matter how it ends

Just hold me when I tell youI wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just cant hideI wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just cant hideAll I need is a miracle

Oh, baby all I need is you

All I need is a love you give

Oh, baby all I need is you, baby, youI wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just cant hideI wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just cant hideI wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just cant hideJust wanna be your lover

Just wanna be the one

Let me be the lover

Let me be the one, yeah, yeah
