

Begin Again (feat. Megan Nicole and Alex Goot)

Taylor Swift

Took a deep breath in the mirror
He didn't like it when I wore high heels
But I do
Turn the lock and put my headphones on
He always said he didn't get this song
But I do, I do
Walked in expecting you'd be late
But you got here early and you stand and wave
I walk to you
You pull my chair out and help me in
And you don't know how nice that is
But I do
And you throw your head back laughing like a little kid
I think it's strange that you think I'm funny 'cause he never did
I've been spending the last eight months
Thinking all love ever does is break and burn and end
But on a Wednesday in a cafe I watched it begin again
You said you never met one girl
Who had as many James Taylor records as you
But I do
We tell stories and you don't know why
I'm coming off a little shy
But I do
But you throw your head back laughing like a little kid
I think it's strange that you think I'm funny 'cause he never did
I've been spending the last eight months
Thinking all love ever does is break and burn and end
But on a Wednesday in a cafe I watched it begin again
And we walked down the block to my car and I almost
brought him up
But you start to talk about the movies that your family watches
Every single Christmas and I want to talk about that
And for the first time what's past is past
'Cause you throw your head back laughing like a little kid
I think it's strange that you think I'm funny 'cause he never did
I've been spending the last eight months
Thinking all love ever does is break and burn and end
But on a Wednesday in a cafe I watched it begin again
But on a Wednesday in a cafe I watched it begin again
