Dwarves

There's bite marks on my dick
You bite too hard, you fucking bitch
?.....cumshot(?)
Shoot you up and fuck your butt
Give me AIDS- fuck me
I just wanna get laid
Give me AIDS- yeah yeah
There's bite marks on my dick
?
Shooting up drugs is the life for me
I've got my HIV Give me AIDS- fuck me
I just wanna get laid
Give me AIDS- yeah yeah
Everybody needs an antibody
