

The New Flesh

The Wildhearts

If I should fall down would you wait for me
If I was out would you be home
If I should pray, then would you pray with me
If I fell in love would I be in love alone?
This isn't half of what I thought it'd be
at what point does love become routine
I had to wait, I had to wait, I had to wait to see
That who you are is not who I hoped you'd be
Now I don't know where to go
I don't know if this beats still working
my hearts not beating anymore
and I don't know If I bleed
test it out just to see
cos the best that I can hope to be
is strong enough to leave
I never lived and died by ecstasy
Funs never been my cup of tea
but now I try, but now I try, but now I try to be
the best I can for noone else but me
Now I don't know where to go
I don't know if this beats still working
my hearts not beating anymore
and I don't know If I bleed
test it out just to see
cos the best that I can hope to be
is strong enough to leave

Your such a shame love
What those animals say to ya
Your such a shame love
What those animals say to ya
Your such a shame love
What those animals say to ya
What they do when they came for ya
just think it through
you never learn what not to do
such a shame love
What those Animals say to ya
What they do when they came for ya

just think it through
you never learn what not to do
a shame love
Your such a shame love
a shame love
Now I don't know where to go
I don't know if this things still working
my hearts not beating anymore
and I don't know If I bleed
test it out just to see
cos the best that I can hope to be
Now I don't know where to go
I don't know if this things still working
my hearts not beating anymore
and I don't know If I bleed
don't know if this things still working
the best that I can hope to be
is strong enough to leave
