

Twist (7/9/03) [Live]

Phish

I spoke your name for many days
Pronouncing it in several waysI spoke your name for many days
Pronouncing it in several ways
And moving letters all aroundAnd when you heard the end result
I told you it was not my fault
If you were here more of the day
It wouldn't twist around that wayIt wouldn't twist around that way
It wouldn't twist around that way
It wouldn't twist around that way
It wouldn't twist around that wayIt wouldn't twist around that way
It wouldn't twist around that way
It wouldn't twist around that way
It wouldn't twist around that wayIt wouldn't twist around that way
It wouldn't twist around that way
It wouldn't twist around that way
Wouldn't twist around
Wouldn't twist around
