This Freakin Song

The Janoskians

(The Janoskians)
La da da da da da
La da da da da da(Beau Brooks)
I'm never gonna pick up baby go ahead and give up cause
You're never gonna get a second chance
You weren't even wasted when you said I'd never make it
So, I guess I gotta prove that I'm the manYou treat me like a hobby and you're telling everybody
That you didn't really love me like that
I'm about to change my number and I bet that you're gonna wonder why
I never ever called your ass back(Jai Brooks)
You're gonna miss me when my song's on the radio
You're gonna hate this freakin song
It goes like:(The Janoskians)
La da da da da da
You said you loved me
La da da da da da
You love me not
La da da da da da
I wrote this melody
You're trying not to sing along
You're gon' hate this freakin song(Jai Brooks)
I don't think you get it but I meant it when I said it
That you're never gonna get a second try
You said I was a zero but I'm gonna be a hero when I
Hit the red button every time(Luke Brooks)
You're gonna miss my when my song's in the radio
You're gonna miss me when I'm gone
I just can't wait until you hear me on the stereo
You're gonna hate this freakin song
It goes like:(The Janoskians)
La da da da da da
You said you loved me
La da da da da da
You love me not
La da da da da da
I wrote this melody
You're trying not to sing along
You're gon' hate this freakin song(James Yammouni)
You told me I was gonna flop baby

And get a job baby
And I was never gonna live in my dreams
Look in your iTunes, had none of my songs.
All you had was Adam Levine's
So baby, don't despair cause I see you
When you show up at my shows
You screwed up cause I blew up
And you blew up my phone
That's Karma(Luke Brooks)
I just can't wait until you hear me in the stereo
You're gonna hate this freakin song
It goes like:(The Janoskians)
La da da da da da
You said you loved me
La da da da da da
You love me not
La da da da da da
I wrote this melody
You're trying not to sing along
You're gon' hate this freakin songLa da da da da da
You said you loved me
La da da da da da
You love me not
La da da da da da
I wrote this melody
You're trying not to sing along
You're gon' hate this freakin song
