## Fefe Dobson

Ayo ladadayo  
Ayo ladadayo ladeeda Sometimes I give in to sadness  
Sometimes I don't  
Doo doo doo doo  
At times I'm part of the madness  
Sometimes I won't  
Give in to you You see in a way  
I have been driftin' down a river to nowhere  
And you've given me nothing But if you're ready to be my everything  
If you're ready to see it through this time  
And if you're ready for love then, this I will bring  
But I'm not gonna wait for you forever this time  
Ladeeda ayo, ladadayo ladeeda At times I feel myself smiling  
At times, I'm not  
Doo doo doo doo  
Hey yeah  
What's with that guilt that you styling baby talk  
Don't look good on you You see in a way  
I have been lookin' for a reason to go there  
And you're leadin' me nowhere And if you're ready to be my everything  
If you're ready to see it through this time  
And if you're ready for love then, this I will bring  
But I'm not gonna wait for you forever this time  
Ladeeda ayo, ladadayo ladeeda Are you waiting for a special occasion  
To give me your heart  
'Cause I need a little confirmation  
To make a real start  
Don't wait till it's too late  
Are you ready to show me?  
Are you ready to love me? You see in a way  
I have been driftin' down a river to nowhere  
And you're givin' me nothing And if you're ready to be my everything  
If you're ready to see it through this time  
And if you're ready for love then this I will bring  
But I'm not gonna wait for you forever this time And if you're ready to be, ready to be my everything  
And if you're ready to see it through this time  
If you're ready for love then this I will bring  
I'm not gonna wait for you forever this time  
Ladeeda ayo, ladadayo ladeeda
