Schneekin (Apocalypso Version)

The Motels

I see you come
I see you go
I call your name
So very low

Following you
Through dark of night
Following you
Aware of fright

Alone and down
The naked street
Alone and down
to meet the meek
I watch you crawl
I watch you sneak

And in the darkness
You will hide
Until all mercy's
been declined
Forever yours
Forever right
Forever and ever
Is the night
Forever still
their beauty lies
Forever still
are their cries

Alone and down
The naked street
Alone and down
to meet the meek
I watch you crawl
I watch you sneak

If they could know
All that you've done
Some day they'll see

that you're the one
Until that time
I'll walk with you
There's nothing else
that I can do

I call your name
The same as mine
I call your name
It's almost time

Alone and down
The naked street
Alone and down
to meet the meek
I watch you crawl
I start to sneak
I start to sneak
I start to sneak
I start to...
