Blood Music

Zeromancer

Lowlifes on gossip
Bypass the mind
Head for the heartDo you feel love?
Do you feel love?
Do you feel love?
Do you feel love?
Do you feel love?It's not like I don't care, we' re not going anywhere
Thinking loud and clear, where will I be in a year?
Two hearts slamming as one, it's blood musicPop up leeches
You know a climax ain't the end of itDo you feel love?
Do you feel love?
Do you feel love?
Do you feel love?It's not like I don't care, we' re not going anywhere
Thinking loud and clear, where will I be in a year?
Two hearts slamming as one, it's blood musicIt's not like I don't care
It's not like I don't care
It's not like I don't careWe' re not going anywhere
Thinking loud and clear, where will I be in a year?
Two hearts slamming as one, it's blood music
