Baby Baby Baby

Alexia

Baby, baby, baby
Baby, baby, babyEvery time I see you close the door
Wish I could believe that you would never lie
As I see you walking down the street tonight
Ain't so sure that you'll be back again this timeEvery time that you are by my side
Deep inside I know you'll never be my guy
Yet I think you've never really been in love
Baby, won't you tell me now the reason why?But I can't forget your eyes
Memories will never dieBaby, baby, baby
Don't you want me
Don't you need me by your side?
(Baby, baby, baby)Baby, baby, baby
Don't you want me?
Won't you hold me one more night?
(Baby, baby, baby)Every time I see you've got the blues
There's a reason to be always by your side
But when I feel that you can tell me only lies
There's no chance for me to keep you satisfiedIf you look into my soul
You could see your perfect world
But I can't forget your eyes
Memories will never dieBaby, baby, baby
Don't you want me
Don't you need me by your side?
(Baby, baby, baby)Baby, baby, baby
Don't you want me?
Won't you hold me one more night?
(Baby, baby, baby)Baby, baby, baby
Oh baby
Baby, baby, baby
Baby, baby, babyDon't you want me? (ooh)
Don't you need me? (ah)
Baby, baby, babyIf you look into my soul
You could see your perfect world
But I can't forget your eyes
Memories will never dieBaby, baby, baby
Don't you want me
Don't you need me by your side?
(Baby, baby, baby)Baby, baby, baby
Don't you want me?

Won't you hold me one more night?
(Baby, baby, baby)Baby, baby, baby
