

Remember the Heroes

Sammy Hagar

Stranger in a foreign land
Fearful cries surround him
Returning home a wounded man
To find he's been forgotten, yeah Courage is the badge he wears
Blinded by obsession
Wars are won by those who dare
The memory still haunts him Remember the heroes
Who fight for the right to choose
Remember the heroes
We've all got a lot to lose A rebel to the naked eye an undiscovered legend
Face the facts and don't ask why it's something to believe in
In the dark, day and night
Fight for wrong to prove what's right Remember the heroes
Who fight for the right to choose
Remember the heroes
Just another life to use
Remember the heroes
We've all got a lot to lose Remember the heroes
Remember the heroes
Remember the heroes
Remember the heroes To take a life without a say demanded without reason
To turn our backs and walk away a faceless act of treason
A father's son must carry on
The wound is only deepened Remember the heroes
Who fight for the right to choose
Remember the heroes
It's just another life to use Remember the heroes
You know we've all got a lot to lose
Remember the heroes
Who's gonna fill their shoes?
