

# Watch What Happens

**Tony Bennett & Natalie Cole**

Cold, no I can't believe your heart is cold  
Maybe slow to warm from a long, lonely night But just let someone start believing in you,  
let him hold out his hand  
Let him touch you and watch what happens One someone who can look in your eyes,  
and see into your heart  
Let him find you and watch what happens Cold, no I won't believe your heart is cold  
Maybe just afraid to be broken again  
But just let someone with a deep love to give  
Give that deep love to you,  
And what magic you'll see Let someone give his heart,  
Someone who cares like me  
Let someone give his heart who cares like me  
Someone who cares like me  
And what magic you'll see  
Let someone give his heart,  
Someone who cares like me  
Someone who cares like me
