

Enough - Interlude

[Mario Winans](#)

Advisory - the following lyrics contain explicit language:

Hello
Hey yo
Hey, baby
Where you at man? Huh? I'm on my way home
It's four thirty in the mornin'
I know, I had to drop my girls off
Alright, be careful
Bye Yeah girl, that was him
I tell him the same thing I always tell him
And it worked again
Yo it's still me on the phone Can't believe that you did it
Oh baby, yeah
Can't believe that you did it to me
Oh, baby, love ya baby
