

# Iyawo Mi

## Timi Dakolo

Like an angel in the morning  
Shooting star across the night  
The most beautiful girl I've seen in all my life  
Every second spent with you is like a day that starts brand new  
Girl I'm so amazed at all the things you do  
Yes I wanna build my whole world around you  
So I promise you forever and for always  
Girl you are my sunshine baby don't you go awayIyawo mi  
Ololufe mi  
Ore mi  
Alayo mi  
I will love you forever  
Iyawo mi  
Ololufe mi  
Ore mi  
Alayo mi  
I will love you foreverI hear music in your words  
And in the way you call my name  
When you're by my side I can't do anything  
You're my best friend  
You're my lover  
Without you no one else will do  
Through thick and thin I know we'll make it  
through  
Yes I wanna build my whole world around youSo I promise you forever and for always  
Girl you are my sunshine baby don't you go awayIyawo mi  
Ololufe mi  
Ore mi  
Alayo mi  
Say I will love you forever  
Iyawo mi  
Ololufe mi  
Ore mi  
Alayo mi  
I will love you foreverMy baby my baby  
You are my sunshine  
My lover my essence  
There's no one like youMy baby my baby  
You are my sunshine

My lover my essence  
There's no one like youIyawo mi  
Ololufe mi  
Ore mi  
Alayo mi  
Say I will love you foreverIyawo mi  
Ololufe mi  
Ore mi  
Alayo mi  
Say I will love you foreverMy sugar, my honey, my lover  
I will love you forever  
My baby, my lover and my best friend  
I will love you forever  
I place no woman above you  
I will love you forever  
I promise to always love you baby  
I will love you forever  
And there's no one that comes close  
I will love you forever more  
And ever and ever and ever more  
I will love you forever  
Cause you are my baby, my sunshine, my ....  
I will love you forever  
And when there's nothing more to say  
I will love you forever  
Forever and ever and ever and ever
