

More of You

Mozella

So it goes without saying,
That I'm hooked on you.
And by now I'm outta my mind,
with this self-abuse!
I guess I should have looked out for myself,
I guess that I could have found someone else,
but I never met anyone
whose lovin' made me so damn crazy!

Every little thing that you do,
Every single word you say!
Every time you're looking away,
You got me beggin for more of you,
more of you.
Every time I'm ready to go,
Every time I think I'm back in control,
Something gets a hold of my soul,
and I'll be beggin for more of you,
more of you!

I'm beggin for more of you...mmm...I'm beggin for more of you.

You're a door I can't close,
when I'm runnin' late.
When I see you I know,
that I'm tempting fate.
I guess that I should move on with my life,
cuz the state that I'm in's just not right.
And I never met anyone,
whose lovin' made me so damn crazy!

Every little thing that you do,
Every single word you say!
Every time you're looking away,
You got me beggin for more of you,
more of you.
Every time I'm ready to go,
Every time I think I'm back in control,
Something gets a hold of my soul,
and I'll be beggin for more of you,

more of you!

Now, I don't know where to go.
Should I, put an end to this show?

But it's out of my hands,
cuz I'm at your command!

So what else can I do?
I guess I'm out of you...ooh.

Every little thing that you do,
Every single word you say!
Every time you're looking away,
You got me beggin for more of you,
more of you.

Every time I'm ready to go,
Every time I think I'm back in control,
Something gets a hold of my soul,
and I'll be beggin for more of you,
more of you! (X3)
