Carnival Of Rust

Poets Of The Fall

Do you breath the name of your savior in your hour of need
And taste the blame if the flavor should remind you of greed?
Of implication, insinuation and ill will, till you cannot lie still
In all this turmoil, before red cape and foil come closing in for a kill
Come, feed the rain
'Cos I'm thirsty for your love, dancing underneath the skies of lust
Yeah, feed the rain
'Cos without your love my life ain't nothing, but this carnival of rust
It's all a game, avoiding failure when true colors will bleed
All in the name of misbehavior and the things we don't need
I lust for after no disaster can touch us anymore and more than ever
I hope to never fall, where enough is not the same it was before
Come feed the rain
Don't walk away, don't walk away
Oh, when the world is burning
Don't walk away, don't walk away
Oh, when the heart is yearning
