

# Baby Come To Me

James Ingram & Patti Austin

Thinkin' back in time  
When love was only in my mind  
I realize ain't no second chance  
You've got to hold on to romance  
Don't let it slide  
There's a special kind of magic in the air  
When you find another heart that needs to share  
Baby, come to me  
Let me put my arms around you  
This was meant to be  
And I'm, oh so glad, I found you  
Need you ev'ry day  
Gotta have your love around me  
Baby, always stay  
'Cause I can't go back to livin' without you  
Spendin' ev'ry dime  
To keep you talkin' on the line  
That's how it was  
And all those walks together  
Out in any kind of weather  
Just because  
There's a brand-new way  
Of looking at your life  
When you know that love  
Is standing by your side  
Baby, come to me  
Let me put my arms around you  
This was meant to be  
And I'm oh so glad I found you  
Need you ev'ry day  
Gotta have your love around me  
Baby, always stay  
'Cause I can't go back to livin' without you  
The nights can be cold  
There's a chill to ev'ry evenin'  
When you're all alone  
Don't talk anymore  
'Cause you know that I'll be here  
To keep you warm

(Oh, darling keep me warm)  
Baby, come to me  
(Come to me)  
Let me put my arms around you  
This was meant to be  
(My love)  
And I'm oh so, glad I found you  
(Oh, so glad I found you)  
Need you ev'ry day  
(Ev'ry day)  
Gotta have your love around me  
(Gotta have you)  
Baby, always stay  
'Cause I can't go back to livin' without you  
Come to me  
(Let me put my arms around you)  
Let me put my arms around you  
This was meant to be  
(Hey, I need you ev'ry day, baby)  
And I'm oh, so glad I found you  
Need you ev'ry day  
Gotta have your love around me  
(Gotta have you and I want you to stay)  
Baby, always stay  
'Cause I can't go back to livin' without you  
Come to me  
(Come to me)  
Let me put my arms around you  
(Love me, love me, baby)  
This was meant to be  
And I'm, oh so glad, I found you
