Â«Me & DeanÂ»

jj

Someday, I know we'll meet again
Without knowing exactly when
Until then, take care of yourself, my friendIf you tell it to my heart
Where would you start
With a truth we shared
Or the lies that drove us apartIf you tell it to my heart
Where would you start
With a truth we shared
Or the lies that drove us apartIf you tell it to my heart
Where would you start
With a truth we shared
Or the lies that drove us apart
