

# Money And Sex

## Big Sean

big sean: verse one

ok i think i think i think i think im the badest we got all the bottles they got all the glasses, im proly with yo girlfriends cuz they got all the asses, burning all this paper you should try and catch the ashes, im in my section poppin something off in the bank or a bitch droppin something off, wo wo work ho make me throw this paper out looking like a paper rout dicker down lay her out didnt have to take her out thinkin ima do her right look left and fake her out, haaa cuz i get back to the money if i ever leave boomerang back to the moneychorus:

all i think about is money and sex fuckin and checks  
in this life time you need to run and get left,  
m m money and sex fuckin and checks  
in this life time you need to run and get left  
now im finnaly gettin rich proly in ya bitch  
and if i there im proly getting rich cuz all i  
of is money and sex fuckin and checks  
money and sex fuckin and checksbun b:verse two

i say i feel i feel i feel i feel im the best got the game on bubble like the vest, piece hangin on my chain chain hangin on my chest chest the game is on lock money power and respect,  
i started in the streets choppin rocks in a grave pit went from not having to having it  
from dreaming to grabing it with only top ramen noodles up in my cabinet no im killing this motherfucker,  
beating and stabbing it, speaking of stabbing it where ya bitch she just text me  
she say she in the room rockin something sexy no disrespect g cuz i aint even trying to but send her to my room  
if you see her before i dochorus:
